MEMORANDUM FOR: Deputy to the DCI for Resource Management
Legislative Counsel

FROM: Director of Central Intelligence

SUBJECT: Congressional Budget Action

1. Now that the final returns on Congressional action on Fiscal Year 1980 budget are just about in, I want to express my admiration and appreciation to both of you for the superb way in which you have shepherded this budget through the Congress. I have become so accustomed to this kind of performance that it is easy to be forgetful and fail to acknowledge it. I certainly don't want to do that because you and all of your staff deserve a lot of credit on behalf of the entire Community.

2. Thanks.
